TRINITY INVESTORS

F1 Arcade - Denver, Colorado

FIRM OVERVIEW

MISSION

Trinity enables wealth creation by identifying, structuring and capitalizing alternative investments that drive long-term prosperity for our investors.

The Trinity Experience:

- *We approach each opportunity with a direct, hands-on investing style.*
- *We offer investors a diverse set of opportunities, so they can decide where and when to invest.*
- *We deliver compelling risk-adjusted returns by working with partners who share our core values.*

VISION

Hunting alpha for our investors.

VALUES

- We build long-term business partnerships, grounded in trust and respect.
- We align with our investors, co-investing in every investment opportunity.
- We persevere on every investment, with steadfast attention from beginning to end.
- We commit to complete transparency and putting our investors' interests first.

THE TEAM

Trinity's principals are experienced entrepreneurs with a history of successfully growing small and medium-sized businesses in a variety of industries. We are involved in strategic and board level roles with each company in which we invest. Trinity adds value through focused effort and dedication to helping management teams profitably grow their enterprises.

Each team member works closely with Trinity's strategic partners, who have proven track records in their respective industries, to augment and enhance Trinity's participation in our portfolio companies. In addition to contributing their time and expertise, our strategic partners often co-invest with us, putting their own capital into the companies they help guide.

HIGHLAND OAKS

Highland Oaks (Rendering) - Dallas, Texas

INVESTMENT PROCESS

We tailor our investment process to each unique opportunity. After several discussions with the operating partner, a detailed financial model is created to aid in pricing and structure. Once the terms have been agreed upon, we begin an intensive due diligence process.

An executive summary of the offering is then sent to our investors. This document provides an overview of the investment including the project type, thesis, market, and the projected capitalization of the deal.

HOW TO PARTICIPATE

IN A NEW TRINITY DEAL

1

NEW OFFERING

A member of the Trinity team will provide you with an Executive Summary of our latest offering.

2

EXPRESS INTEREST

If you would like more information about the investment, please register to attend the webinar.

3

FOLLOW-UP EMAIL

A follow-up email will be sent to you containing important information including critical dates and the PPM (Private Placement Memorandum) for the investment.

4

REVIEW + TOUR

At this time, you are encouraged to review the PPM, attend the asset tour and participate in the webinar.

5

RESPOND TO OFFERING

Decide if you wish to participate in the investment.

YES

- Complete Subscription Agreement
- Submit funds

PASS

- Wait for the next Trinity investment

YEAR IN
REVIEW

**20
24**

The listed Portfolio Value represents the combined value, at inception, of all active investments in which Trinity Investors offerings have participated. The underlying portfolio investments are not revalued periodically. Thus, the current market value of the portfolio may be higher or lower than the listed Portfolio Value. In that regard, the listed Portfolio Value is only representative of the aggregate value of the subject projects at the time that Trinity Investors offerings invested in the projects
